ListServe Communities Topics

Have a specific question or challenge? PMPA's ListServes — Technical, Quality, HR, IT and Corporate — let you tap into the right community of peers who've been there, solved that! Here are the top five conversations in the Listserve Community last month:

- **Technical: Parts Washers**
Request for recommendations on parts cleaning systems. Received eight responses from members with suggestions.
- **Technical: Swiss Parts**
Member sent in specifications and wanted to know how others would run the specific part in a Swiss machine. Received 15 responses with suggestions.
- **Technical: Steel grade FK8**
Wood Screw Threads, 416SS from India, Looking for a source for 1045 Pre-HT, MIL-STD-171 hard chrome plating vendor needed.
- **HR: Shop Towels & Floor Mats**
Discussion on towel services and their various products used in shops. Do mats slip when saturated with coolant? Has anyone been forced to sign a five year contract?
- **IT: Setting up new computers**
Discussion on provisioning new computers with database client, OBDC, install customer software, and have the computer ready to go with an automated process.
